# Traffic Safety

## Your local traffic safety specialist

With Master Hire's fleet of traffic safety equipment ranging from colour & amber variable message boards, portable traffic lights to lighting towers, we are sure to have a machine for your job application that will increase safety, efficiency and productivity at your job site day and night.

We are proud to offer you late model machines incorporating the latest in technology supported by our experienced team.

Remember to speak to our friendly team about:

- Flexible rates for long term hire
- Delivery services available
- Damage waiver available

## The Master Hire Story

As a family owned company, Master Hire has been 'Built on Service' to our customer, from the first day we were established in 1990. We have built our service by providing hire solutions for the construction, industrial, mining, infrastructure, commercial, trade and residential markets.

At Master Hire, we listen and respond to your needs and are constantly looking to be the industry leader in customer service with dependable people, equipment and processes which all work to provide value for money.

Partnering with Master Hire means **your** safety, **your** deadlines, **your** budget and **your** satisfaction are all the **focus** of our friendly team.

For branch locations throughout Queensland and information on equipment and services available at Master Hire, please visit our website or call 1300 107 107. Our friendly team is always on hand to help.
